Thank you, Tara. As I mentioned, we do need the original hard copy together with a voided check. As soon as I receive them, I will submit for processing.

Thank you, Rita, for identifying that. I have very complete files, but couldn't locate a vendor #. If you email it to me when you identify it, I'll add it to my files so I have it for the future -- in case it's needed again.

The first attachment is the executed form. I am authorized to execute this form on behalf of VBPOA. Our Board President, Mark Sokol, and Treasurer, Steve Heumann, are cc'd here as you suggested.

The second attachment is from our bank. They asked me to furnish it to anyone who is ever doing an ACH transfer to us. It's mostly duplicative to the City form, but kindly attach it to the form as it does contain a little extra information that might be important (please see the highlighted line.)

Thank you very much. Please let me know if you need anything else to process this.

I'm not sure what your City of L.A. vendor number is, but attached is the W-9 and BTRC you submitted. Leave the L.A. vendor number blank and I'll figure it out.

Thank you. I will send it shortly as you requested. I've combed our docs, but am having trouble locating our vendor #. (I have our contract # but I doubt it is the same.) If you provide it, I will add it to our files.

Hi Tara,

If you want to sign for the BID, after completing the form, please send it to me electronically letting me know that the original hard copy will be sent via USPS or dropped off or whatever and together with a voided check, and copy the president / chair of the board and the treasurer.

I will keep the email as proof of authority to set up the EFT.

Thanks.

Rita

I think it might have to be the authorized signatories as stipulated in the contract. I'll confirm with Accounting tomorrow.

I am also authorized to do this from our bank's perspective if that is relevant.

Thanks - one question.

The form says authorized principal signature. I am authorized from the Board's POV as their official Interim CEO.

Am I authorized from the City's perspective or does it require Board execution?

Hi, Rita:

I wanted to loop back with you and get the paperwork to set things up so that future Venice Beach BID assessment revenue can be received via EFT transfer rather than check.

Please send me the form(s) and any instructions when you have a chance.

Thanks, and have a great weekend!

Warmest regards,  
Tara
